Custom Colors & Logos

Custom Colors

ECOsurfaces offers more than 35 standard EPDM colors (see page 2)! These colors are created through Ecore's ColorMill®. ECOsurfaces is unique, because it is one of a few flooring manufacturers to develop its own EPDM products at its facility in Lancaster, PA. The exclusive ColorMill® process ensures your design will feature the most vivid colors and exhibit a smooth, even finish. There are no limits to the imagination! Create a new shade with various formulations from the color palette.
